Education

January - March 2010: Character Design for Animation, Central St Martin's, London.

September 2003 - June 2006: 2:2 BA (Hons) Animation, Southampton Solent University, East Park Terrace, Southampton.

Interests

I enjoy listening to an eclectic range of music, and I'm also a bit of a console geek. I love reading and watching a wide variety of animation although my favourite style is anime. In my spare time I try to visit galleries and museums as I find them a good source of inspiration.
